GEHT AUF DIE BAUME

Geht, geht, geht auf die Bäume,
Eh die Welt in Müll und Krieg versinkt

Geht, geht, geht auf die Bäume,
Weil Widerstand uns vorwärts bringt.

Wenn die Angst dich fesselt
Und der Mut ist so klein
Geht auf die Bäume, geht
Komm mit protestieren
Du bist nicht allein
Geht auf die Bäume, geht

SOLID AS A ROCK

**SOLID AS A ROCK,
ROOTED AS A TREE**

**WE ARE HERE, STANDING TALL
IN OUR RIGHTFUL PLACE**

WAKE UP

We need to wake up

We need to wise up

We need to open our eyes

And do it now, now, now!

We need to build a better future

And we need to start right now

We're on a planet

That has a problem

We've got to solve it, get involved

And do it now, now, now!

We need to build a better future

And we need to start right now

· Make it greener

· Make it cleaner

· Make it **last**, make it fast

And do it **now, now, now!**

We need to **build** a better future

And we need to start right **now**

· No point in waiting

Or he-si-tating

We must get wise, take no more lies

And do it **now, now, now!**

II: We need to **build** a better future

And we need to start right **now**
